Working together to build a successful future the Australian Melon Industry

19th July 2011

An invitation is extended to you to become financial members of the Australian Melon Association Inc. Please return the Remittance Advice below with your payment. Please retain this notice as your tax invoice as a separate invoice will not be issued.

The Association appreciates your membership and industry support. With limited funds the Association contributes to across industry projects as well as it's own melon industry development projects as well as giving strength and leadership to the melon industry. Members will now also be able to access wholesale market price reports via the AMA website with these reports being updated twice per week.
