

Melon Industry Leadership Program

Melons Australia in partnership with the Hort Innovation Melon Fund is offering opportunities to both levy paying growers and non levy paying melon industry members to participate in a range of leadership programs over the coming three years. Details on the range of programs available are available at www.melonsaustralia.org.au and the opportunity is available to those who are at the early stages of their horticulture career right through to industry and business leaders wishing to broaden their skills and make new connections. The commitment you make in applying for one of these opportunities is a small financial contribution and to attend a number of alumni events.

Which course are you interested in? _____

Why? _____

How do you think you could use the learnings from the course to improve the melon industry?

Do you currently hold any leadership positions within your industry or community? If so what are they?

Any additional information or comments (please provide as much detail as possible):

Please tick the appropriate box to indicate your commitment to contributing towards the cost of the course as a:

1. a levy payer (\$400 contribution), or
2. non levy payer (50% co-contribution)

Please tick the box to note that you understand your required commitment to provide feedback on the program both in writing and verbally through interview and also attend (virtually if necessary) any alumni/participant working sessions that are planned.

Please note: Levy payers must provide a copy of their most recent levy receipt to Melons Australia to allow confirmation of their melon levy payments.
