

# LEAN LEADERS

Leading & Sustaining Continuous Improvement in your business

## WHO ARE MOSHIE?

Moshie is a business development consulting business with clients in all states of Australia. Our clients are from a diverse range of businesses including in horticulture, transport, manufacturing, engineering and retail.

DELIVERED FACE TO  
FACE AND ONLINE

DELIVERY DATES  
THROUGHOUT 2025

Moshie's specialised Lean Leadership program is ideally suited to current and emerging business leaders. The program covers a range of business improvement topics including:

- Combining LEAN & Continuous Improvement with modern Leadership principles to drive efficiency
- Using simple but effective tools to reduce waste with measurable Return on Investment
- How to improve process control, quality, reduce costs and increase customer satisfaction
- Reducing the impacts of labour shortages by boosting productivity in individuals and teams
- Improving your organisational supply chain, across all departments, from suppliers to customers
- The importance of utilising simple performance data to drive better business decision making
- Understanding the costs of inputs to value products and services

The Melon Training & Leadership Program funded through Hort Innovation (VM22003) supports Melon growers and members to participate in the Lean Leaders Program

10 x 4 hour workshops, delivered fortnightly

- Melon levy payer
- Operations Leader, Team Leader, Sales Leader or Business owner
- 80% attendance rate

**For information on how to register or create a nomination, contact Joanna Embry at Melons Australia at [biosecurity@melonsaustralia.org.au](mailto:biosecurity@melonsaustralia.org.au)**
