Working together to build a successful future for the Australian Melon Industry

17 June, 2019

An invitation is extended to you to become financial members of the Australian Melon Association Inc. The Association is dedicated to making a positive difference to those involved in the melon industry. The Association leads externally funded projects such as the current export and leadership projects and is represented on the melon levy Strategic Investment Advisory Panel.

The benefits of membership of the Australian Melon Association are:

- Free quality guides
- Quarterly member's newsletter and monthly e-news
- Meeting and event notices; updates and alerts

As part of your membership levy, the Australian Melon Association Inc. is offering all financial members the opportunity to receive a free copy of the Watermelon Quality Guide or the Rockmelon Quality Guide or both. These guides have previously been on sale for a cost of \$30.00. Indicate below which guide(s) you would like to receive. Select your choice below.

Please return the Remittance Advice below with your payment. Retain this notice as your tax invoice or if a separate invoice is required please advise the Secretary.
